Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of Adani Green Energy (UP) Limited Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Adani Green Energy (UP) Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Adani Green Energy (UP) Limited (the "Company") for the quarter ended June 30, 2023 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 as amended (the "Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 6 In a matter relating to tariff dispute with Hubli Electricity Supply Company Limited (DISCOM) on account of delayed commissioning of the project beyond the contractually agreed as per power purchase agreement, the Company received a favorable order from Karnataka Electricity Regulatory Commission ("KERC") on 11th November, 2020 directing DISCOM to make payment against supply of energy by the Company at contractual tariff rate of ₹ 4.79 / kWh instead of reduced tariff rate of ₹ 4.36 / kWh. However, the DISCOM along with Karnataka Power Transmission Corporation Limited (KPTCL) filed an appeal before Appellate Tribunal for Electricity ("APTEL") in 2021, after expiry of appeal period, to set aside the order of KERC and to allow to continue to make payment at reduced tariff rate of ₹ 4.36 / kWh.

During the quarter ended 30th June, 2023, the Company has received funds under protest from DISCOM towards differential rate tariff for the period January, 2018 to April, 2023 amounting to ₹ 2,093 Lakhs pending appeal at APTEL (including late payment surcharge of ₹ 452 Lakhs). Pending conclusion of appeal at APTEL, based on the prudence principles, the Company has not recognised revenue towards the differential rate for supply of energy for the past period of ₹ 1,630 Lakhs and for the current quarter of ₹ 94 Lakhs (excluding late payment surcharge). The amount realised from DISCOM has been recorded as contract liability (advance from customer) in the Company's books.

However, the management believes that the favorable order as passed by KERC will continue to be upheld at APTEL expecting favorable outcome in future.

Notes to Unaudited Financial Results for the Quarter ended 30th June, 2023:

7 In a matter relating to tariff dispute with Uttar Pradesh Power Corporation Limited (DISCOM) on account of delayed commissioning of the project beyond the contractually agreed as per power purchase agreement, the Company has received a favourable order from Appellate Tribunal for Electricity ("APTEL") on 28th November, 2022 directing DISCOM to make payment against supply of energy by the Company at tariff rate of ₹ 7.02/kWh upto October, 2022 instead of reduced tariff rate of ₹ 5.07 / kWh against which DISCOM had filed an appeal in Hon'ble Supreme Court. Hon'ble Supreme Court via order dated 27th February, 2023 directed DISCOM to make payment of rate difference amounting to ₹ 6,308 lakhs pertaining to power sale upto October, 2022 and ₹ 1,875 lakhs towards Late Payment Surcharge in 4 monthly instalment from February, 2023 to May, 2023. For subsequent period, Hon'ble Supreme Court had directed DISCOM to make payments at tariff rate of ₹ 5.07/kWh and make provision representing such rate difference, pending final hearing of Hon'ble Supreme Court. The Company had ascertained collection of revenue for the differential rate as "probable" for "revenue recognition purpose" in line with 'Ind AS 115 - Revenue from Contracts with Customers" to the extent directed by Hon'ble Supreme Court and accordingly recognized revenue of ₹ 6,308 lakhs during the year ended 31st March, 2023 and ₹ 1,875 lakhs towards late payment surcharge as per the Hon'ble Supreme Court order.

The Company based on principles of prudence has not recognised revenue for the differential tariff rate for supply of energy after October, 2022. However, the management expects favourable outcome in future and is confident of recoverability of the same.

8 The Company has decided to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019 from current financial starting from 1st April, 2023. Accordingly, the provision for income tax and deferred tax balances have been recorded / remeasured using the new tax rate of 25.168% w.e.f. 1st April, 2023 instead of tax rate of 29.12% as applicable till FY 2022-23. The resultant impact of ₹ 1,009 lakhs had been reversed in deferred tax assets outstanding as at 31st March, 2023, with corresponding debit recognised in the Statement of Profit and Loss for the quarter ended 30th June, 2023.

9 The Company has converted Inter Corporate Deposits amounting to ₹ 50,119 Lakhs into Unsecured Perpetual Securities w.e.f 1st October, 2022. Accordingly, interest expense of the quarter ended 30th June 2022 and 30th June 2023 are not comparable to that extent.

10 (i) Finance costs (net) include Loss / (Gain) on derivative Contracts (net) against hedging of its significant portion of foreign currency borrowings and exchange difference (Gain) / Loss to foreign currency borrowings regarded as an adjustment to borrowing cost.
(ii) Exchange difference (Gain)/ Loss other than adjustment to borrowing cost (i.e. finance costs), if any, is separately disclosed in the results.

11 The Company's activities revolve around renewable power generation and other ancillary activities. Considering the nature of Company's business, as well as based on review of operating results by the Chief Operating Decision Maker to make decisions about resource allocation and performance measurement, there is only one reportable business segment in accordance with the requirements of Ind AS - 108 - "Operating Segments".

12 Figures for the quarter ended 31st March, 2023 represents the difference between the audited figures in respect of the full financial year ended 31st March, 2023 and the published unaudited figures of nine months ended 31st December, 2022 which were subject to limited review by the Auditors.

13 The Financial Results of the Company are presented in Indian Rupee (₹) and all values are rounded to the nearest Lakhs, except when otherwise indicated. Amounts less than ₹ 50,000 have been presented as "0".

14 During the year ended 31st March 2023, a short seller report was published in which allegations were made involving Adani Group Companies. A writ petition was filed in the matter with the Hon'ble Supreme Court ("SC"), and during court proceedings, the Securities and Exchange Board of India ("SEBI") represented to the SC that it is investigating the allegations made in the short seller report for any violations of applicable SEBI Regulations. The SC, in terms of its order dated 2nd March, 2023, has also constituted an expert committee to investigate and also advise into the various aspect of existing laws and regulations, and also directed the SEBI to consider certain additional aspects in its scope. The Expert committee submitted its report in the matter dated 6th May, 2023, finding no regulatory failure, which is pending to concluded by SC. The SC has also provided SEBI; time till 14th August, 2023 to complete its investigation.

To uphold the principles of good governance, the Adani Group had undertaken a review by an independent law firm, during the year ended 31st March, 2023, and the report confirms that the Ultimate Deemed Holding Company (i.e., 'Adani Green Energy Limited' "AGEL"), and its subsidiaries (including the Company) are in compliance with applicable laws and regulations. Based on the foregoing and pending final outcome of the regulatory investigations and related proceedings as mentioned above, the management of the AGEL has decided to not carry out an additional independent investigation in the matter as a group and the unaudited financial results do not carry any adjustments in this regard.
